Stone Road & Melvin Road – Intersection Control Change

Beginning Monday, May 11, 2026, the County Engineer's Office will convert the intersection of Stone Road and Melvin Road from a two-way stop to a four-way stop.

New stop signs and advance warning signage will be installed in accordance with the *Manual on Uniform Traffic Control Devices (MUTCD)*.

Motorists are advised to use caution, observe all posted signage, and be prepared to stop in all directions when traveling through this intersection.
