Closed for Safety Improvement Project

Jonesboro Road and Oak Grove Road (Wednesday, September 7, 2022) - Beginning Monday, September 19th, weather permitting, road work will begin on the intersection of Jonesboro Road and Oak Grove Road as part of a safety improvement project. This project site is located in Clark Township, Clinton County. On Jonesboro Road, the last address accessible from the southwest is 5064 Jonesboro Road and the last address accessible from the northeast is 5304 Jonesboro Road. The closure on Oak Grove is between the intersection of Jonesboro Road and 165 Oak Grove Road. There are no addresses within the project area on Oak Grove Road.

During the construction phase of the project, the roads will be closed. However, access to addresses 5204 and 5219 Jonesboro Road, located within the project limits, will be maintained.

The project is anticipated to take 8 weeks, weather permitting.
