Road Closures for Sight Improvement Project

Center Road (Tuesday, February 20, 2024) - Beginning Monday, March 4th, weather permitting, road reconstruction will begin on Center Road as part of a sight improvement project (CLI-CR16-7.96). This project site is situated in Union Township, Clinton County. During the construction period, Center Rd. will be closed to through traffic between US 68 N and Nelson Rd. The construction will generally progress from Nelson Road toward US 68 N. Initially, all residences (addresses 51 through 545) on this section of Center Rd. will be accessed from US 68 N, with traffic pattern changes anticipated as the project progresses. The first address accessible from Nelson will be 844 Center Rd. Motorists are advised to exercise caution due to flagging operations and the presence of trucks entering and exiting the roadway within and around the project area.

The project is scheduled for completion by July 1st.
