Road Closures for Sight-Improvement Project

Antioch Road (*Monday, August 4, 2025*) - Starting Monday, August 18th, weather permitting, road reconstruction will begin on Antioch Road as part of the CLI-CR12-4.43 sight-improvement project. This project, located in Green Township, Clinton County, will impact addresses 4105 through 4573 on Antioch Road.

During construction, Antioch Road will be closed to through traffic between SR 729 S and Beatty Rd. Additionally, the intersection of Antioch and Hodson Rd. as well as the intersection of Antioch and Dailey Rd. will be closed.

Initially, addresses 4105-4408 Antioch Rd. will be accessible for local traffic from Dailey Rd., while addresses 4515 and 4573 will be accessible for local traffic from SR 729. Traffic patterns are expected to change as the project advances. During the project, changes in traffic patterns will be communicated via a project-specific mailing list. To subscribe, please send your request to cceo@clintoncountyengineer.org and reference Antioch Road Project.

Drivers should proceed with caution due to construction crews and trucks moving in and out of the work zone.

The project is expected to be completed within 180 days.
